Subject to clause 15.12, the Residual Income Entitlement and Residual Gains Entitlement of a Member for a Distribution Period is so much of, respectively, the Residual Income and Capital Gains of the Scheme calculated by the Responsible Entity as follows:

- (a) in respect of a Distribution Period ending on a Distribution Calculation Date other than 30 June in any year, an amount calculated as follows:

A is the number of Units held by the Member at the end of the Distribution Period;

B is the number of Units held by all Members at the end of the Distribution Period;

C is either:

(i) for a Residual Income Entitlement, the Residual Income of the Scheme for the Distribution Period; and

(ii) for a Residual Gains Entitlement, the excess, if any, of the Capital Gains of the Scheme for the Distribution Period over the Maximum Redemption Gains Amount for any Units redeemed during the Distribution Period under a Significant Redemption

or such lesser amount as the Responsible Entity may determine; and

- (b) in respect of a Distribution Period ending on 30 June in any year, an amount calculated as follows:

$$\frac{A \times C}{B}$$

A is the number of Units held by the Member at the end of the Distribution Period;

- C is:

*The Responsible Entity may determine that a redemption of Units in the Scheme is a Significant Redemption.*

### **15.6 Redemption Gains Entitlement**

- (a) *If there is a Significant Redemption of Units in the Scheme, then the Responsible Entity may determine that a Redemption Gains Entitlement arises for the Member whose Units are redeemed under the Significant Redemption. If the Responsible Entity makes a determination that a Redemption Gains Entitlement arises, the Responsible Entity must determine the Maximum Redemption Gains Amount for the Units redeemed under the Significant Redemption.*
- (b) *The Maximum Redemption Gains Amount for a Unit redeemed under a Significant Redemption is:*
  - (i) *so much of the Capital Gains which arise for the Scheme that the Responsible Entity reasonably determines are connected to a disposal of the Scheme Assets undertaken by the Responsible Entity to fund a payment, in whole or in part, of the redemption amount for the Units redeemed; divided by*

*AM is the aggregate of the Maximum Redemption Gains Amount for all Units redeemed under a Significant Redemption during the Financial Year; and*

*CG is the Capital Gains of the Scheme for the Financial Year.*

*For the avoidance of doubt, the Redemption Gains Entitlement for a Unit that is redeemed under a redemption that is not a Significant Redemption is nil.*

- (i) *the Capital Gains of the Scheme for the Financial Year in the proportion that the sum of the Residual Gains Entitlements and Redemption Gains Entitlements of the Member or Former Member in respect of the Financial Year bear to the sum of all Residual Gains Entitlements and Redemption Gains Entitlements of all persons who are or have been Members at any time during the Financial Year; and*
  - (ii) *the Residual Income of the Scheme for the Financial Year in the proportion that the Residual Income Entitlements of the Member or Former Member in respect of the Financial Year bear to the sum of all Residual Income Entitlements of all persons who are or have been Members at any time during the Financial Year,*

*and these amounts are to be set aside for distribution.*

- (b) *For the avoidance of doubt, where the Scheme is an AMIT for any income year, the Scheme and the Members (as relevant) will be taxed in accordance with the AMIT Regime for that income year.*

### **15.8 Satisfaction of present entitlement and distribution of income**

- (a) *The present entitlement of a person who at any time during the Financial Year is a Member to:*

**15.12 Fractions**

*If the share of Distributable Income for a Member determined under clause 15.4 includes a fraction of a cent, the share is to be adjusted:*

- (a) *If the Scheme is not an AMIT for a Financial Year but the Responsible Entity purports to exercise a power under Schedule 2 on the basis that the Responsible Entity believes that the Scheme is or will be an AMIT for the Financial Year, then the following provisions apply in respect of the exercise of the relevant power.*
- (b) *The exercise of the powers by the Responsible Entity will, to the maximum extent possible but subject to the following provisions, be treated as a proper exercise of the Responsible Entity's powers under this Constitution or at law.*

- (d) *Nothing in Schedule 2 or the terms of this clause will be taken to invalidate any action that is undertaken by the Responsible Entity pursuant to its powers under clause 15 and those powers may be exercised by the Responsible Entity despite any contrary powers provided under Schedule 2.*

*The Responsible Entity may take any action that it considers is necessary (including without limitation by distributing or applying capital to or for the benefit of Members) to ensure to the extent possible that any Tax liability under the Tax Act in respect of the net income of the Scheme is borne by the Members in proportions that correspond with the shares of Distributable Income to which they are presently entitled, and that the Responsible Entity incurs no liability to pay Tax under section 99 or section 99A of the Tax Act as trustee of the Scheme.*

*If the Responsible Entity determines that the total amount of the distributions actually made to Members (in one of the forms mentioned in clause 15.18) during or with respect to a Financial Year exceeds the Distributable Income for the Financial Year, the Responsible Entity may treat the excess as a distribution of capital.*

**15.22 Distribution reinvestment arrangements**

*Subject to the approval of the Responsible Entity, a Member may elect to reinvest some or all of any distribution payable to a Member by acquiring additional Units in accordance with this Constitution. In this event, the Responsible Entity will be treated as having received and accepted an application to reinvest distributions immediately before the first Valuation Time after the end of the relevant Distribution Period. Units issued in respect of such application are to be issued at an Issue Price determined as at the first Valuation Time after the end of the relevant Distribution Period but calculated as if the Acquisition Expenses are nil. The procedure for reinvestment of distributions (and any changes in the procedure) shall be determined by the Responsible Entity and notified to Members from time to time.*

**15.25 Liability**

*To the maximum extent permitted by law, the Responsible Entity does not incur any liability nor is it obliged to account to anyone (including any Member or former Member) nor is it liable for any loss or damage as a result of the exercise of any discretion or power under this clause 15, or in respect of any determination of fact or law made as part of, or as a consequence of, the exercise of any discretion or power despite any error or miscalculation in any provision made for Tax.”*

## 2.3 Specific powers

The Responsible Entity may under the AMIT Regime in respect of an AMIT Income Year:

All Units in a Class rank equally. A separate Class does not constitute a separate trust.
