Revenue Growth from Core Divisions

The following chart demonstrates the growth in core revenues for the group over the past 3 years.

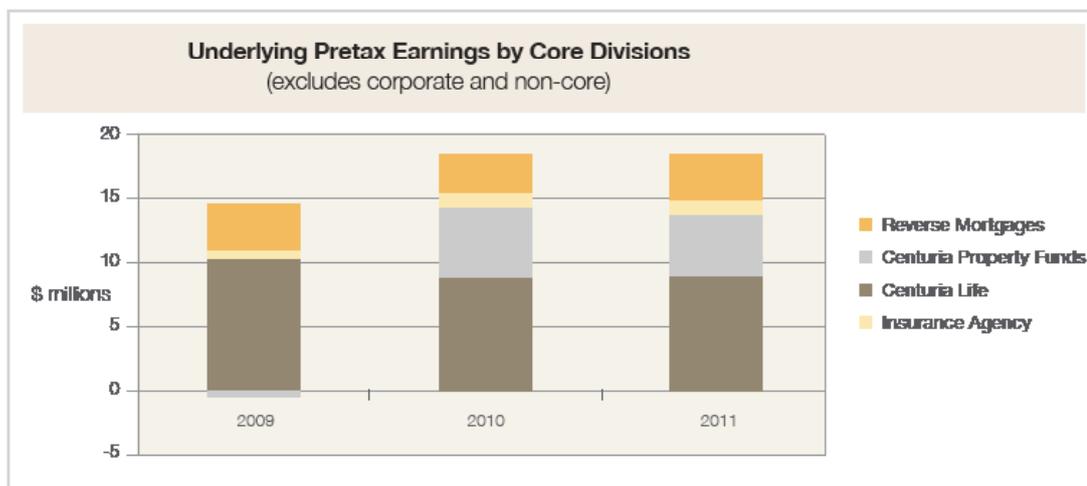

- Firstly, the chart demonstrates Centuria's focus on growing revenue in the Property Funds Management division which has increased from 2009 - \$6.8 million to 2011 - \$13.0 million.
- Secondly, considering the current economic environment, Centuria has been able to achieve an overall average growth rate in revenue from its core operations over the past two years of 7%.

Underlying Pretax Earnings from Core Divisions - (excludes non-core and corporate)

Whilst achieving revenue growth in the past 3 years has been a key focus for the group, achieving earnings growth has been of equal importance. Shareholders have received a 20% growth in dividends from 2010 to 2011. The following chart of Underlying Pretax Earnings by the 4 Core Divisions demonstrates:

- Overall growth over the period from 2009 to 2011 of 15% being higher than average revenue growth above 7% over the same period.
- An encouraging turnaround in underlying earning from Property Funds Management operations, which, as pointed out above, experienced significant investment in infrastructure and personnel over the last 12 months.

Notice of 2011 Annual General Meeting

Explanatory Notes

These Explanatory Notes have been prepared to provide shareholders with sufficient information to assess the merits of the resolutions and the business to be conducted at the Company's Annual General Meeting. You should read the Explanatory Notes in full before making any decisions in relation to the resolutions.

Item 1: Financial Statement and Reports

The Corporations Act 2001 (Cth) requires the Financial Report (which includes the Director's Declaration), Directors' Report and Auditors' Report ("Reports") to be received and considered at the Annual General Meeting.

Neither the Corporations Act 2001 (Cth) nor the Company's constitution requires shareholders to vote on such Reports. Shareholders will, however, be given a reasonable opportunity to raise questions on the Reports at the Meeting. A reasonable opportunity will also be given to shareholders as a whole to ask the auditor questions relevant to the conduct of the audit and the preparation and contents of the Auditors' Report.

The 2011 Annual Report is available for shareholders to access and download from the Company's website at www.centuria.com.au. If you would like to receive a hard copy of the Annual Report, please contact the Share Registry on 1800 112 929. Shareholders who have specifically requested a hard copy of the Annual Report will receive it by mail.

Item 2: Approval of Remuneration Report (non-binding resolution)

Shareholders are asked to adopt the Company's Remuneration Report. The Remuneration Report containing prescribed information regarding remuneration is set out in the 2011 Annual Report and is also available from the Company's website (www.centuria.com.au).

The Remuneration Report outlines the Company's remuneration arrangements for directors, the CEO and for certain company executives for the financial year ended 30 June 2011. A reasonable opportunity for discussion of the Remuneration Report will be provided at the Annual General Meeting.

Shareholders will be requested to vote on the Remuneration Report. However, the shareholder vote is advisory only and does not bind the Directors or the Company. Nevertheless, the Board will take into account the outcome of the vote when considering the future remuneration arrangements of the Company. Under the Corporations Act 2001, if 25% or more of votes cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a "spill" resolution which in effect will require the Company to convene another meeting within 90 days for the purpose of the re-election of all of the Company's directors.

Recommendation

The Directors do not consider it appropriate to give a recommendation on this proposed resolution as it relates to their remuneration.

Notice of 2011 Annual General Meeting

Explanatory Notes (continued)

Item 5: Amendment to the Constitution to permit fees for 'Off-Market' share transfers in accordance with the ASX Listing Rules

In January 2011, the Australian Securities Exchange (ASX) amended Listing Rule 8.14.1 to allow entities to charge a reasonable fee for registering paper-based transfers in registrable form (also known as "off-market" transfers). Listing Rule 8.14.1 also allows entities to charge a reasonable fee for issuing a certificate to replace one that is lost or destroyed.

The Constitution currently gives the Directors power to require a fee of \$1.00 or less for registration of a written transfer instrument, however, the Company was prohibited from charging this fee as the Listing Rules prohibited any fee being charged for registering transfer documents.

The Company now wishes to amend its Constitution to align with the amendments to Listing Rule 8.14.1 so that the Company may charge a reasonable fee for registering paper-based transfers in registrable form. It is proposed that clause 26 of the Company's Constitution be amended by deleting the words struck-out and including the words marked-up as follows:

26. Transfer Procedure

26.1 For a transfer of Shares:

- (a) The written transfer instrument must be left at the Office or the office of the Company's Share registrar, together with any fee the Company is permitted to charge under the ASX Listing Rules;
- (b) The instrument must be accompanied by a certificate for the Shares dealt with in the transfer, unless the Directors waive production of the certificate on receiving satisfactory evidence of the loss or destruction of the certificate; and
- (c) The Directors may require other evidence of the transferor's right to transfer the Shares.

26.2 The Company must register all registrable transfer forms and issue certificates without charge, unless the Company is permitted to charge a fee under the ASX Listing Rules.

Item 6: Subsequent Approval of Securities Issue

Item 6 ratifies the issue of 611,831 fully paid ordinary shares on 15 April 2011.

Background

Under ASX Listing Rule 7.1 a Company may issue up to 15% of its capital in securities in any 12 month period without member approval. ASX Listing Rule 7.4 provides that as long as the issue of securities complies with ASX Listing Rule 7.1, then the issue is treated as having been made with approval for the purposes of ASX Listing Rule 7.1, if the company's shareholders subsequently approve it.

Such approval by shareholders "refreshes" a company's ability to make strategic placements or other share issues over the next 12 months within the restrictions otherwise imposed by the ASX Listing Rules.

Accordingly, the board has decided to seek shareholder approval under ASX Listing Rule 7.4 for the Company's issue of a total of 611,831 shares to be allocated to the holders of Convertible Notes over Centuria Bulky Goods Fund 1 who have elected to receive part payment by way of issue of Centuria Capital Limited shares instead of cash. The number of fully paid ordinary shares issued under the placement is within the 15 per cent limit imposed by ASX Listing Rule 7.1. However, without the proposed Listing Rule 7.4 approval by shareholders pursuant to the Notice of Meeting, further issues within the 12 month period may require shareholder approval.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the next 12 months up to the 15% allowance set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

Notice of 2011 Annual General Meeting

Explanatory Notes (continued)

Details on the Securities issues for which approval is being sought

The Securities issues resulted in a total issue of 611,831 fully paid ordinary shares (Securities). Of those, 134,075 shares were issued at a price of A\$0.5892 per share and 477,756 shares were issued at a price of \$0.5864 per share. The Securities represented approximately 0.77 per cent of the Company's total issued ordinary share capital on issue at 14 April 2011. The Securities were issued on 15 April 2011. The Company confirms that the issue of the Securities at the relevant time did not breach ASX Listing Rule 7.1.

The following information is provided to shareholders in accordance with ASX Listing Rule 7.5.

- a. 611,831 fully paid ordinary securities were issued.
- b. The Securities were issued to Avanteos Investments Limited at the below prices:

Investor	Number of Shares Issued	Issue Price
Avanteos Investments Limited	134,075	\$0.5892
Avanteos Investments Limited	477,756	\$0.5864

- c. All of the Securities issued were fully paid ordinary shares, ranking equally in all respects with the ordinary shares then on issue.
- d. The Securities were issued on 15 April 2011
- e. The Securities were issued in accordance with a partial redemption offer that was made to holders of Convertible Notes over Centuria Bulky Goods Fund 1 (Note Holders). Under the terms of the Note Subscription

Deed for those Convertible Notes, Note Holders have the option to elect for cash or Securities in Centuria Capital Limited at any time redemptions are made available. The Securities were issued as a result of elections to receive Securities instead of cash.

Recommendation

The board considers that the approval of the issue of the Securities described above is beneficial for the Company as it provides it with the flexibility to issue up to the maximum number of shares permitted under ASX Listing Rule 7.1 in the next 12 months (without further shareholder approval), should it be required. Accordingly, the directors unanimously recommend that shareholders vote in favour of Item 6.

Glossary
