## TARGET MARKET DETERMINATION

### Filtering questions for target market determination

The following questions assists in Centuria Life Limited (CLL) in meeting its regulatory obligations by enabling it to assess whether the Centuria LifeGoals is being offered to the stated target market. If you don't understand the questions or need assistance, we recommend that you seek advice from your financial adviser before deciding to proceed with your investment.

#### INVESTOR STATUS

Are you investing in this Bond on the advice of a licensed financial adviser who has provided current investment advice having regard to your personal objectives, financial situation and needs?

Yes

No

**If you have answered yes, you do not need to complete the target market determination questionnaire, but you must provide your adviser details in the application form.**

#### TARGET MARKET DETERMINATION QUESTIONNAIRE

##### Question 1

Are you comfortable with selecting your own Investment Options?

Yes

No

##### Question 2

Can you confirm that you are not a superannuation fund looking to invest in the LifeGoals product?

Yes

No

##### Question 3

Can you confirm that you are not an investor looking for a product that calculates and pays a regular distribution?

Yes

No

##### Question 4

Investors that are paying no tax are generally not considered to be in the target market for this product unless there is a non-tax related outcome (e.g. estate planning, child plan or maximising social security benefits). This is because tax is paid within the Investment Bonds product at a higher tax rate of 30% and investors paying 0% tax may not benefit from the tax benefits under the investment bond structure. Can you confirm that you are paying more than 0% tax or you are seeking a non-tax related outcome?

Yes

No

**Important:** If you have answered 'no' to any of these questions, this product may not be suitable for you. Before proceeding with your investment, we recommend that you review the target market determination for the product which can be found on our website [centuria.com.au/lifegoals/investor-centre](http://centuria.com.au/lifegoals/investor-centre) or by calling us on **1300 50 50 50** and/or seek advice from your financial adviser before deciding to proceed with your investment.

**By completing the application form, you acknowledge that you have read and understood in the PDS and Investment Options Booklet how the Centuria LifeGoals Investment Bond invests your funds.**

**IMPORTANT:** The LifeGoals product requires you to select your own Investment Options that best fit your risk tolerances and objectives. The risk profile, investment objectives and strategy of each of the underlying Investment Options (the Investment Option features) can be found in the PDS Investment Options Booklet. It is important that you read and understand the risk profile of each underlying option and are comfortable that they are suitable for you particular financial situation, needs and objectives. Where you have selected a sector specific fund (e.g. a fund investing in Australian shares only), you should give consideration to diversifying your investment across multiple investment choices within the LifeGoals menu or otherwise across your investable assets held outside of this product, particularly where these funds also have a risk level of high or very high. If you require any further information on any of the investment options, please contact us on **1300 50 50 50**.

**Tax Identification Number (TIN)**

**Tax Residency**

For entities, these rules are often based on where the entity is established/incorporated, carried on business or is managed/controlled.

For the US, for individuals, tax residency can be a result of citizenship or residency.

If you are unsure of your tax residency, there is helpful guide on the ATO website <https://ato.gov.au/individuals/international-tax-for-individuals/indetail/foreign-residents-reporting/foreign-tax-resident-reporting/>. [^]  
Alternatively you should contact your tax adviser.
